

INDEX

Volume 22, 1978

General Procedures Used in Compiling the Index

- (1) The following types of entries are included:
 - a. authors—of articles and of letters
 - b. subjects of articles; subject entries for individuals are provided sparingly and are identified by "about"
 - c. titles of articles
- (2) Corporate names have been indexed under the common form of the name as it normally appears in print (not in inverted form). Acronyms and initialisms are recorded as such, and they are filed as words, whether they are so pronounced or not.
